Re: *Basic Service Tier Encryption; Compatibility Between Cable
Systems and Consumer Electronics Equipment,*
MB Dkt. No. 11-169, PP Dkt. No. 00-67

Dear Ms. Dortch:

On May 9, 2012, Melissa Marks, Tom Sella and Roe Vulkán of Boxee, Inc., Tony Werner and Kathy Zachem of Comcast Corporation, and Jonathan Friedman, counsel to Comcast Corporation, spoke via conference call with Henning Schulzrinne, CTO of the Commission, regarding the above-referenced rulemaking. On that call, we discussed potential means to provide consumer electronic devices with a comparable alternative to Clear QAM, and technical aspects thereof.

Pursuant to the Commission's rules, this notice is being filed in the above-referenced dockets for inclusion in the public record.

Respectfully Submitted,

/s/ Melissa Marks

Melissa Marks
General Counsel
